PLANNED GIVING

You may wish to consider Agape in Action as part of your long term financial planning. Your gifts go a long way and bring about lasting change in the lives of hundreds Christadelphian children and families in the world by attending to their physical, emotional and spiritual needs. There are several ways you can plan to make a gift to AinA, one of the simplest is a bequest. Bequests are very common. In fact, more than 80% of planned gifts received by charities come from bequests. Making a gift of cash or property by including a bequest to AinA in your will is one of the simplest planned giving options. The gift may be a cash donation or may be a gift of property. In countries where Agape in Action is a registered charity, there are significant tax benefits associated with planned giving. Contact us for more information.

"...Dear children, let us not
love with words or
tongue but with **actions**
and in truth."

Agape in Action is a registered Canadian Christadelphian Charity with projects operating in Kenya, Uganda and India. Everyone involved in the running of AinA are Christadelphian volunteers. Our name reflects our intention of putting love ('agape') into action by responding compassionately to those in our family in Christ who are in need. Our tagline 'Life, Opportunity and Hope' highlights our commitment to nurturing both the physical and spiritual needs of children and Christadelphian families living with the effects of poverty.

Child Sponsorship provides basic needs. Through sponsorship a child and their family will benefit from food, clothes, shoes, primary schooling, uniform and supplies, medical checks and other special needs. When you sponsor a child you will receive a profile and photo of your child and if you wish, you can get to know your child and their family through correspondence.

This children's home is in Kadiam, India where Bro. Andrew & Sis. Shuba have taken in 12 orphaned children. Through child sponsorship these children are now being fed and are in school. Project sponsors cover the additional costs of running a home and supporting these children including medical costs and a new set of clothes at the end of the year. Sponsors received regular updates, photographs and correspondence from the children.

This home is a partnership between AinA, CMaD UK & CBM. 60 orphaned children who were being cared for by Bro. Justus & Sis. Annett in Western Kenya, now have a place to call 'home'. The children are sponsored by AinA and project sponsors cover the additional costs of running a home and supporting these children. They came to Justus & Annett gradually over the past few years looking for something to eat and Justus & Annett simply could not turn them away. Sponsors will receive regular updates and photographs of the children.

Some children or their siblings in the sponsorship program are ready for high school or to learn a trade. Regular child sponsorship is not enough to cover the cost of this education. To sponsor a young person in high school or to learn a trade as well as to cater for their other needs costs only an extra \$60/year and is vital to stopping the cycle of poverty that these children find themselves in.

Bukigai Day Nursery School (Uganda),
 Msamaria Mwema Academy (Kenya),
 Mwangaza wa Godo Nursery School (Kenya)

These schools have been started because of laws in the countries, because of the long distances small children had to walk to school and because some were attending school in churches where they were being indoctrinated at such a young age. In the same way as child sponsorship, these schools provide children with basic needs including a nutrition program, education, uniforms, shoes and medical checks. Sponsors contribute to the group of children and receive regular updates, photographs and correspondence from the teachers and children.

MY SPONSORSHIP

As a sponsor, you improve a child's quality of life, provide opportunity and hope. You are helping the next generation of Christadelphians break the continuous cycle of poverty in which they find themselves.
