

# Kamukuywa Homes Kenya

**Kamukuywa** is a very special place. It is home to one very large and happy family. Over the years, Bro. Justus and Sis. Annett Mabuka have taken in over 100 orphaned and unwanted children. Although struggling to support this enormous family, and despite the children having to sleep outside, the Mabuka's opened up their home and hearts to these needy children. Agape in Action began sponsoring these children in March 2007 allowing the Mabuka's to provide food and clothing for the children and to ensure all were able to go to school. There are two projects nearing completion that will soon see that the children also have a roof over their heads.

**Lela Children's Home** has been an exciting partnership between the Christadelphian Bible Mission, Christadelphian Meal-a-Day UK and Agape in Action. This children's home will house 60 children and will be supported by a team of support staff to ensure these kids receive the best care possible. This home consists of a boys and girls dorm, dining room, kitchen and washroom blocks.

**Kimbilio** is a shelter that has been built by Agape in Action for the children remaining with Bro. Justus and Sis. Annette. This home, as Kimbilio means, will be a place of refuge. Kimbilio will house up to 40 children.
